## **Invitation to Residents**

**WCCC Public Meeting**  
**Wednesday 27 October 7.30 pm**  
**Weston Club, Liardet St, Weston**

### **Forum and Discussion: Time to Talk–Canberra 2030**

**Time to Talk–Canberra 2030** is an opportunity for all Canberrans to tell the Government what they love about Canberra now and what they would like Canberra to be in 20 years' time. Representatives from the Chief Minister's Department will speak about this government initiative, then we will have a discussion with focus on the following topics:

Living in the Nation's Capital	Population
City Form	Land Use and Planning
Liveability and Well-being	Environmental Sustainability
Housing and Water	Getting Around

and, most important,

**Who Pays?**

### **Presentation: ACT Clean Economy Strategy**

The ACT Government has commissioned the University of Canberra to produce a scoping study—*Framework for an Australian Capital Territory Clean Economy Strategy: Economic, Environmental and Social Perspectives*—which provides the basis for a conversation on a clean economy strategy. Representatives of the Business & Industry Development area of the Chief Minister's Department will give a brief introduction to the Framework report and to answer any questions the Weston Creek community may have.
