## **Development Application No. 200503782 – Block 15 Section 67, Weston**

The Weston Creek Community Council (WCCC) welcomes this opportunity to comment on Development Application No. 200503782 for Block 15, Section 67 in Weston (8 Parkinson Street). The WCCC has been actively involved in Weston Creek as a consultation conduit for the local community since we were established in 1991. The WCCC is a non-political, voluntary lobby group representing the residents of Weston Creek and is an informed, active and pragmatic contributor to public debates in Weston Creek. Our website ([www.wccc.com.au](http://www.wccc.com.au)) has further details about the WCCC.

There appears to be overwhelming support for the proposed Development Application within the Weston Creek community. This observation is based on the fact that over the period 26 February to 30 April 2005, the WCCC conducted random consultations at various shopping centres throughout Weston Creek and spoke to about 570 people. A recurring theme in these consultations was strong support for the rebuilding of the Weston Creek Childcare Centre in Parkinson Street, Weston.

Notwithstanding this support, some local residents have questioned the adequacy of the 26 car parking spaces for a facility that will accommodate up to 90 children, most of whom would be expected to be arriving and departing at similar times.

Members of the WCCC Committee are available to discuss any of the issues raised in this submission.

Yours sincerely
